

**UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION**

**UNITED STATES SECURITIES
AND EXCHANGE COMMISSION,**

Plaintiff,

v.

**EQUITYBUILD, INC., EQUITYBUILD
FINANCE, LLC, JEROME H. COHEN,
and SHAUN D. COHEN,**

Defendants.

Civil Action No. 18-cv-5587

Hon. Manish S. Shah

Magistrate Judge Young B. Kim

**RECEIVER'S TWENTY-FIRST STATUS REPORT
(Third Quarter 2023)**

Kevin B. Duff, as receiver ("Receiver") for the Estate of Defendants EquityBuild, Inc., EquityBuild Finance, LLC, their affiliates, and the affiliate entities of Defendants Jerome Cohen and Shaun Cohen (collectively, the "Receivership Defendants"), and pursuant to the powers vested in him by Order of this Court, respectfully submits this Twenty-First Status Report for the quarter ending September 30, 2023.

I. CREDITORS AND CLAIMS AGAINST THE RECEIVERSHIP ESTATE

The Court has set the next status hearing for November 16, 2023 at 11:00 a.m. (Central). Claimants may listen to the proceedings by dialing 1-888-204-5984 and using access code 9146677. The Court has reminded all persons granted remote access to proceedings of the general prohibition against photographing, recording, and rebroadcasting of court proceedings, and that violation of these prohibitions may result in sanctions, including removal of court issued media credentials, restricted entry to future hearings, denial of entry to future hearings, or any other sanctions deemed necessary by the Court.

During the Third Quarter 2023, the following activities transpired with respect to the process to resolve the claims by groups of properties:

Group 1

There are five properties in Group 1: 3074 Cheltenham Place (Property 74); 7625-33 S East End Avenue (Property 75); 7635-43 S East End Avenue (Property 76); 7750 S Muskegon Avenue (Property 77); and 7201 S Constance Avenue (Property 78).

Distributions pursuant to the Court's Order Approving the Distribution of Proceeds from the sales of the five Group 1 Properties (Dkt. 1451) are on hold pursuant to the Court's order granting claimant BC57's motion to stay distributions pending the resolution of its appeal. (Dkt. 1504) Briefing in the BC57 appeal was completed on September 15, 2023. No oral argument has been set.

Group 2

There are five properties in Group 2: 1700-08 W Juneway Terrace (Property 1); 5450-52 S Indiana Avenue (Property 4); 7749-59 S Yates Boulevard (Property 5); 6160-6212 S Martin Luther King Drive (Property 79); and 6949-59 S Merrill Avenue (Property 101).

Proceedings with respect to the five properties in Group 2 are ongoing. On September 12, 2023, the Court entered an order (Dkt. 1532) amending the Group 2 schedule as follows:

- 10/25/23 Deadline for fact discovery
- 11/8/23 Receiver's disclosure as to any avoidance claims
- 11/15/23 Deadline to request further discovery on avoidance disclosure
- 11/29/23 Claimants and SEC's positions statements
- 12/20/23 Receiver's position statement
- 1/10/24 Any replies to position statements

Thereafter, the Court will decide issues of lien priority and a plan for distribution of the fund balances in the accounts for the five Group 2 properties.

Group 3

Group 3 includes the properties in Chicago Capital Fund I (“CCF1”) and Chicago Capital Fund II (CCF2”), along with the properties located at 7927-49 S Essex Avenue (Properties 102-106). The three properties in CCF1 are: 7301-09 S Stewart Avenue (Property 10); 7500-06 S Eggleston Avenue (Property 11); and 3030-32 E 79th Street (Property 12). The three properties in CCF2 are: 2909-19 E 78th Street (Property 13); 7549-59 S Essex Avenue (Property 14); and 8047-55 S Manistee Avenue (Property 15).

On August 29, 2023, the Court entered an order finding that, with certain exceptions, the investor-lenders in Group 3 have secured interests in the proceeds of sale of the Group 3 properties, and accepting the Receiver’s preliminary proposal for Group 3 distributions. (Dkt. 1528) At the Court’s direction, the Receiver will submit a final distribution plan for Group 3 after the Court rules on the Receiver’s Twentieth Fee Application. Such distribution plan will include a newly discovered claim relating to CCF1. Group 3 distributions will be made following the Court’s approval of the Receiver’s updated distribution plan.

Remaining Claim Groups 4-10

At the Court’s direction, on June 15, 2023, the Receiver submitted a proposal for the remaining claim Groups 4-10. ([Dkt. 1488](#)) This proposal reorganizes the property groupings and recommends more streamlined procedures for at least some of the groups based on the issues that are expected to be involved. Pursuant to the Court’s order, and following the Receiver’s recommendation, the Receiver’s framing report for Groups 4 and 5 is to be filed by November 14,

2023 (Dkt. 1532), and the Court has expressed the hope that the remaining claim groups can be completed by the end of 2024.

During the quarter, the Receiver participated in two status hearings held by the Court on July 11, 2023 and on September 12, 2023.¹ The Receiver and his counsel also devoted significant time to discovery in claim Group 2, reviewing 227 written discovery responses and 82GB of documents provided by investor-lender claimants, institutional lender claimants, title companies, and law firms involved in the transactions. The Receiver and his counsel also continued to devote substantial time to the review and analysis of claimants' proof of claim forms and documents submitted with the claim forms and/or EquityBuild documents related to the claims, both in Groups 2 and 3 that are currently before the Court and in the remaining claim Groups 4-10. This process is ongoing, and although substantial progress has been made, there remains work to be done.² Attached hereto as **Exhibits 5 and 6** are updated versions of the Receiver's "Master Claims Exhibit" listing, sorted alphabetically by claimant and by property, respectively. The updated exhibits reflect any additional information provided to the Receiver by claimants since the filing of the Receiver's last status report.

At the September 12, 2023 status hearing the Court requested an update on the status of discussions between the Receiver and the FHFA in regard to the properties at 1131 E 79th and 7024 S Paxton and the claims on those properties. Counsel for the FHFA reported that he is working with the FHFA to provide a response to the Receiver's efforts to resolve disputes on those

¹ A transcript of the September 12, 2023 proceedings is attached hereto as **Exhibit 7**. A transcript of the July 11, 2023 proceedings was attached to the Receiver's [Twentieth Status Report](#) as Exhibit 8.

² As reported previously, the review of claims in this case is extraordinarily complex and time consuming due to a variety of reasons, including the frequent rollover of claimant funds from one property to another property or fund, lien releases or assignments, property sales, and incomplete or unsupported claim forms. (*See, e.g.*, Dkt. 1243 at 10)

properties. As of this filing, the Receiver has not heard further from the FHFA or its counsel and is awaiting further communication from them.

Finally, the Receiver repeats the following reminders regarding claims and the claims process. Claimants may want to consider whether to hire counsel to assist them with the claims process. Claimants do not have an obligation to retain counsel in order to participate in the claims process, but the Receiver and his counsel cannot provide legal advice to any claimant, nor can the Receiver advise claimants regarding whether or not they should retain counsel. Any claimant that chooses to proceed without counsel should visit the section of the Court's website (www.ilnd.uscourts.gov) named "[Information for People Without Lawyers \(Pro Se\)](#)" which provides useful information and also states the following: "The rules, procedures and law that affect your case are very often hard to understand. With that in mind, you should seriously consider trying to obtain professional legal assistance from an attorney instead of representing yourself as a pro se party." Claimants may also want to speak with a lawyer to assist them in determining for themselves whether or not to retain counsel.

All claimants have a continuing responsibility to ensure that the Receiver at all times has current and up-to-date contact information so that the Receiver may provide important information relating to the claims process, the claimant's claim, or the Receivership Estate. Additionally, any claimants who have transferred their interests to a different IRA or 401k custodian, or to themselves individually, should notify the Receiver and provide documentation of the transfer or distribution from their former custodian. Claimants may provide updated information and documentation to the Receiver at equitybuildclaims@rdaplawnet.net.

II. ADDITIONAL OPERATIONS OF THE RECEIVER

a. Identification and Preservation of Assets

During the Third Quarter 2023, the Receiver continued efforts to identify, preserve, and recover assets, including, *inter alia*, through claims asserted against former EquityBuild professionals and insiders.

b. Financial Reporting of Receipts and Expenditures

The Receiver only needed to devote a minimal amount of work during the quarter to ensure that certain revenue from insurance and utility refunds was properly allocated to the correct property accounts.

c. Open Litigation

The Receiver is aware of five actions currently pending in the Circuit Court of Cook County in which an EquityBuild entity is a named party, including:

- *Equity Trust Co. Custodian FBO Joseph Kennedy IRA v. EquityBuild Inc., et al.*, Case No. 2022 CH 02709. This foreclosure action on 107-11 N. Laramie was filed March 25, 2022 pursuant to this Court's Order partially lifting the stay of litigation. (Dkt. 1176) An alias summons issued on May 24, 2023, which was returned not served by the sheriff on June 6, 2023.
- *5201 Washington Investors LLC v. EquityBuild, Inc., et al.*, Case No. 2022 CH 1268. This foreclosure action on 5201 W Washington was filed February 15, 2022 pursuant to the Court's Order partially lifting the stay. (Dkt. 1176) On July 14, 2023, the state court entered an order dismissing the action with prejudice pursuant to 735 ILCS 5/2-619 of the Illinois Code of Civil Procedure, and on August 4, 2023, the plaintiff investors filed a notice appealing the ruling to the Illinois Appellate Court.

- *Jerrine Pennington for Valerie Pennington, Deceased v. 4533 Calumet, LLC*, Case No. 2021 L 10115. An order indefinitely transferring this matter to the circuit court's special stay calendar pursuant to this Court's Order Appointing Receiver (Dkt. 16) was entered on January 27, 2022.
- *Michigan Shore Apartments, LLC v. EquityBuild, Inc., et al.*, Case No. 2018 CH 09098. This matter, which was stayed pursuant to this Court's Order Appointing Receiver (Dkt. 16), is scheduled for a hearing on the status on the stay of litigation on December 5, 2023.
- *City of Chicago v. Michigan Shore Apts., et al.*, Case No. 2014 M1 403019, consolidated with Cases 2019 CH 15064 and 2020 CH 06391. In this matter, which concerns the former EquityBuild property located at 7616-7624 S Phillips Avenue, the court appointed a state court receiver, who sold the property and deposited the \$765,305.99 proceeds of sale with the Circuit Court of Cook County Clerk. Competing motions to turnover those funds to the individual lenders holding shares of the EquityBuild mortgage (most of whom are claimants in this action), and the City of Chicago's motion for a default judgment, were decided on September 18, 2023, and a Turnover Order was entered ordering the proceeds to be distributed to the individual lenders.

In the class action captioned *Chang v. Wells Fargo Bank, N.A.*, Case No. 4:19-cv-01973-HSG (N.D. Cal.), the court entered a December 2022 order granting preliminary approval of a \$3,750,000 settlement with Wells Fargo, and a fairness hearing was held on July 13, 2023. On August 14, 2023, class counsel filed a supplemental submission in support of final approval of the proposed settlement, and the matter is awaiting a ruling by the California district court. Further

questions about this class action settlement may be addressed to the Claims Administrator at the toll-free number 1-833-472-1991.

d. Claimant Communications

The Receiver has provided and continues to maintain numerous resources to keep claimants informed about proceedings in this action. To provide basic information, the Receiver established and regularly updates a webpage (<http://rdaplawnet.com/receivership-for-equitybuild>) for claimants and other interested parties to obtain information and certain court filings related to the Receivership Estate. A copy of this Status Report will be posted on the Receivership web site.

Court filings and orders are also available through PACER, which is an electronic filing system used for submissions to the Court. Investor claimants and others seeking court filings and orders can visit www.ilnd.uscourts.gov for information about accessing filings through PACER.

Beyond those avenues, the Receiver continues to receive and respond to numerous emails and voicemails from claimants and their representatives. The Receiver and his staff responded to approximately 101 such inquiries during the Third Quarter 2023, in addition to numerous oral communications. The Receiver will continue to work to ensure that information is available and/or otherwise provided as quickly and completely as practicable, asks all stakeholders and interested parties for patience during this lengthy process, and reiterates that responding to individual inquiries depletes Receivership assets. These quarterly status reports and the Receiver's other court filings remain the most efficient means of communicating information regarding the activities of the Receivership Estate.

e. Control of Receivership Property and Records

The Receiver has continued efforts to preserve all EquityBuild property and records. The Receiver continues to undertake efforts to maintain, preserve, and utilize EquityBuild's internal

documents during the pendency of this matter, as well as for use in document productions and investigations in the matters brought by the Receiver against the former EquityBuild professionals.

f. Factual Investigation

The Receiver and his retained professionals have continued to review and analyze the following: (i) documents and correspondence sent to or received from the EquityBuild principals, to whose email accounts the Receiver has access; (ii) bank records from EquityBuild and its affiliate entities; (iii) EquityBuild documents; (iv) available underlying transaction documents received to-date from former Chicago-based EquityBuild counsel; (v) files produced by former EquityBuild counsel, accountants, and employees; and (vi) files produced pursuant to subpoenas issued by the Receiver.

g. Tax Issues

The Receiver has informed investors that he cannot provide advice on tax matters. Moreover, the Receiver and his retained professionals do not plan to issue 1099-INT's. With respect to valuation, loss, or other tax issues, investors and their tax advisors may wish to seek independent tax advice and to consider IRS Rev. Proc. 2009-20 and IRS Rev. Rul. 2009-9.

h. Accounts Established by the Receiver for the Benefit of the Receivership Estate

The Receiver established custodial accounts at a federally insured financial institution to hold all cash proceeds from the sale of the Receivership properties. These interest-bearing checking accounts are used by the Receiver to collect liquid assets of the Estate and to pay portfolio-related and administrative expenses. The Receiver also established separate interest-bearing accounts to hold funds from the sale of real estate, as directed by Court order, until such time as it becomes appropriate to distribute such funds, upon Court approval, to the various creditors of the Estate, including but not limited to the defrauded investors or lenders.

Attached as **Exhibit 1** is a schedule reflecting the balance of funds in all of the property specific accounts as of September 30, 2023, with a description of any changes to the account balance during the quarter.

III. RECEIVER'S FUND ACCOUNTING

The Receiver's Standardized Fund Accounting Report ("SFAR") for the Third Quarter 2023 is attached hereto as **Exhibit 2**. The SFAR discloses the funds received and disbursed from the Receivership Estate during this reporting period. As reported in the SFAR, cash on hand as of September 30, 2023 equaled \$2,062,832.61. The information reflected in the SFAR is based on records and information currently available to the Receiver. The Receiver and his advisors are continuing with their evaluation and analysis.

IV. RECEIVER'S SCHEDULE OF RECEIPTS AND DISBURSEMENTS

The Receiver's Schedules of Receipts and Disbursements ("Schedule") for the Third Quarter 2023 are attached hereto as **Exhibit 3**. These Schedules in the aggregate reflect \$549,303.54 in total receipts and \$771,500.49 in total disbursements to and from the Receiver's (non-property) accounts during the quarter.

V. RECEIVERSHIP PROPERTY

All known Receivership Property is identified and described in the Master Asset List attached hereto as **Exhibit 4**. The Master Asset List identifies 56 checking accounts in the names of the affiliate entities identified as Receivership Defendants, reflecting transfers of \$213,249.56 to the Receiver's account. (*See also* Dkt. 348 at 23-24 for additional information relating to these funds) The Master Asset List also identifies funds in the Receiver's account in the amount of \$2,062,832.61.

The Master Asset List does not include funds received or recovered after September 30, 2023. Nor does it include potentially recoverable assets for which the Receiver is still evaluating

the value, potential value, and/or ownership interests. The Receiver is in the process of evaluating certain other types of assets that may be recoverable by the Receivership Estate.

Additionally, the balances of the 74 remaining property-specific interest-bearing accounts established to hold the proceeds from sold real estate are reflected in Exhibit 1. These accounts cumulatively contained \$65,375,834.11 as of September 30, 2023.

VI. LIQUIDATED AND UNLIQUIDATED CLAIMS HELD BY THE RECEIVERSHIP ESTATE

The Receiver and his attorneys are analyzing and identifying potential claims, including, but not limited to, potential fraudulent transfer claims and claims for aiding and abetting the fraud of the Receivership Defendants. As it relates to potential actions against claimants, the Receiver anticipates that any such claims will be brought as part of the claims dispute resolution process, consistent with the Court's prior direction on such matters in establishing that process.

During the Third Quarter 2023, the Receiver continued to prosecute actions in the Circuit Court of Cook County and the Northern District of Illinois against former EquityBuild outside counsel. These claims are for professional malpractice and aiding and abetting the Cohens' breaches of their fiduciary duties.

In *Duff v. Rock Fusco & Connelly, LLC, Ioana Salajanu, and Berbert Bregman Schwartz & Gilday, LLC*, Case No. 20-L-8843 (Cir. Ct. Cook Cty.), the Receiver continued to address written and oral discovery issues and continued review and analysis of EquityBuild records and records produced in discovery. In addition, the Receiver addressed deficiencies in the document production of the Rock Fusco & Connelly defendants which resulted in Rock Fusco & Connelly's supplemental production of over 360,000 pages of additional documents, which the Receiver uploaded to a document database platform and is in the process of reviewing. The Receiver is in the process of preparing an amended complaint to sharpen the allegations based on facts uncovered

in discovery, but that process has been impacted by the deficiencies identified above the subsequent production of an enormous volume of documents, as well as by other issues such as the pendency of third-party actions. To that point, the Receiver has also continued to address several third-party complaints filed by Rock Fusco & Connelly, LLC and Ioana Salajanu and recently obtained a court order confirming that the third-party complaints will be dismissed. The Receiver is preparing to begin fact witness depositions (a process impacted by the written discovery discussed above) in the Fourth Quarter 2023, a process that will continue into 2024.

In *Duff v. Mark L. Rosenberg and Law Offices of Mark L. Rosenberg*, Civil Action No. 1:21-cv-6756 (N.D. Ill.), in an effort to preserve the remaining insurance in this case, the parties engaged in a settlement conference with Judge Jeffrey Cole. The parties are largely in agreement on the terms of a settlement; however, to avoid any adverse impact on the parallel Cook County Action, the desired settlement of this matter requires the participation and cooperation of a party in the parallel Cook County action, Bregman, Berbert, Schwartz & Gilday, LLC. Accordingly, Judge Cole directed the parties to invite Bregman, Berbert, Schwartz & Gilday's counsel to participate in a continued settlement conference, such invitation has been extended, and the Receiver anticipates continuing the settlement conference in the fourth quarter 2023. In addition, following the aforementioned settlement conference, Judge Cole's order reflects the written settlement documents submitted to him in that case, "were among the most comprehensive and thoughtful legal analyses in settlement documents that have ever been presented to me."

During the quarter, the Court approved settlements with the defendants in the case styled *Duff v. DeRoo, et al.*, Case No. 1:22-cv-4336 (N.D. Ill). (Dkt. 1504) Defendants Bol and Trinity agreed to pay a settlement amount of \$110,000.00, with an initial payment of \$50,000.00. And, Defendant DeRoo agreed to pay a settlement amount of \$325,000.00, with an initial payment of

\$100,000.00. The Receiver has received the initial settlement payments from the Defendants and expects to receive the second payment from DeRoo during the fourth quarter of 2023, and the final payments from DeRoo and from Bol and Trinity during the first quarter of 2024.

During the Reporting Period, the Receiver continued to pursue claims in the ongoing litigation *Duff v. Chief Management LLC, et al.*, Case No. 1:22-cv-4335 (N.D. Ill.). The Receiver exchanged written discovery requests, responses, and productions with Defendants and identified individuals believed to have been involved in, and benefitted from, the loan transaction that is the subject of the Complaint. As a result, the Receiver issued subpoenas to the individuals and anticipates filing an amended complaint within the time set by the Court for allowing such amendments, which is currently November 29, 2023. The deposition of Defendant Ezri Namvar was delayed at his counsel's request due to scheduling conflicts and a subsequent medical incident involving Namvar, but will be rescheduled in short order. And, counsel for the Receiver and counsel for Namvar recently resumed settlement discussions.

VII. PROFESSIONAL FEES AND EXPENSES

On July 11, 2023, the Court granted the Receiver's Nineteenth Fee Application, approving the allocations to properties, imposing a 20% holdback on all fees, and withholding payment of fees allocated to 1131 E 79th and 7024 S Paxton, which are the subject of the FHFA's objections and pending appeal. (Dkt. 1504, 1510) The net amounts were transferred from the property accounts during the quarter, as reflected in Exhibit 1. During the quarter, the Receiver prepared and submitted his Twentieth Fee Application, to which objections were filed by the institutional lenders and the FHFA. (Dkt. 1517, 1529, 1530) That motion remains pending.

On July 11, 2023, the district court held a hearing on the institutional lenders' objections to Magistrate Judge Kim's ruling on the Receiver's Second Fee Allocation motion, which were overruled by Judge Shah after oral argument, but without further briefing. (Dkt. 1490, 1501, 1502,

1504) The Court subsequently entered an order approving the fee payments less the amounts ordered to be held back (Dkt. 1511), and the Receiver transferred the approved sums from the property accounts, as reflected on Exhibit 1. On August 21, 2023, the FHFA filed a notice of appeal of the Court's order, and also moved the district court to certify the decision for immediate appeal. (Dkt. 1519, 1520, 1522) On September 21, 2023, the District Court denied the motion to certify an interlocutory appeal (Dkt. 1533), and on September 27, 2023, the Seventh Circuit consolidated the new FHFA appeal with its earlier appeal of the Court's ruling on the Receiver's First Fee Allocation Motion, which is stayed pending resolution of the Receiver's motion to dismiss filed in regards to the FHFA's earlier appeal.

VIII. CONCLUSION

At this time, the Receiver recommends the continuation of the Receivership for at least the following reasons:

1. The continued investigation and analysis of current assets and potentially recoverable assets for which the Receiver is still evaluating the value, potential value, and/or ownership interests;
2. The continued investigation, analysis, and recommendations regarding the claims against the Receivership Estate, including, but not limited to, the claims and records of investors;
3. The continued investigation, analysis, and recovery of potential fraudulent transfer claims and claims against third parties;
4. The continued analysis and formulation, in consultation with the SEC and the Court, of a just and fair distribution plan for the creditors of the Receivership Estate; and
5. The discharge of any other legal and/or appointed duties of the Receiver as identified in the August 17, 2018 Order Appointing Receiver, or as the Court deems necessary.

Dated: October 25, 2023

Respectfully submitted,

Kevin B. Duff, Receiver

1 (Proceedings available by phone/heard in open court:)

2 THE CLERK: 18 CV 5587, United States Securities And
3 Exchange Commission versus EquityBuild.

4 THE COURT: Good morning, everyone.

5 We have the attorneys in the courtroom, and we have
6 your appearances noted for the record, so I am not going to
7 take attendance.

8 If you do, and when you do, speak, if you would just
9 identify yourself for the court reporter when you speak.

10 My agenda this morning is to walk through the groups
11 and where we stand with each of the groups. And as we do that,
12 I think when we talk about Group 3, I will ask some questions
13 about the twentieth fee application. And then when we get to
14 Group 9, I'll address the interlocutory appeal motion when we
15 talk about Group 9.

16 There is a -- one of the unrepresented claimants,
17 Mr. Pithawalla, reached out through the receiver and asked to
18 be heard today. And I will give Mr. Pithawalla an opportunity
19 to be heard. I'll do that first.

20 And going forward, it is my intention to carve out
21 some time to allow unrepresented claimants to be heard, to
22 voice their position on how things are moving along. We
23 weren't able to make arrangements for that process today, but
24 we'll set up a process where we can do that going forward.

25 So I don't want people listening on the phone who are

1 claimants to feel like they have been left out of some
2 opportunity today. They haven't. We'll make arrangements next
3 time if people want to be heard.

4 But we did make arrangements for Mr. Pithawalla to be
5 heard. And what I'd like to do is do that now. And I'll open
6 up the phone line for Mr. Pithawalla to be heard, and we'll
7 start with that.

8 Mr. Pithawalla, are you on the line and can you hear
9 me?

10 MR. PITHAWALLA: Yes. Yes, Judge. Thank you.

11 THE COURT: Could you state your name, please, for
12 the record.

13 MR. PITHAWALLA: Mehernosh Pithawalla.

14 THE COURT: Good morning, Mr. Pithawalla.

15 Is there something you'd like me to know about how
16 this case is progressing?

17 MR. PITHAWALLA: Yeah. I think, you know, the long
18 journey that we've had for the last five, six years is about
19 probably coming to an end. I belong to Group 3, investors in
20 Group 3.

21 I would just -- you know, there was a receiver's
22 proposal that was submitted on June 29th. And given that we've
23 already had four, five years of waiting time, I was hoping that
24 there would be an approval from your office to release the
25 funds. Because the funds are sitting in an account. We are

1 not sure whether they are gathering any interest.

2 But the receiver fees are piling up to, you know,
3 tens of thousands of dollars, and we would just -- I think I
4 speak on behalf of others that we're just interested in knowing
5 when the distribution will be made. Because the proposal was
6 made on June 29th. It was approved on August 29th. I think
7 the twentieth fee application is the only thing pending.

8 And I would like to make a humble request, Judge, to
9 ensure that the fees are -- at least the investments, whatever
10 have been recovered, can be passed along to the investors so
11 that we can close our books on this.

12 THE COURT: Thank you, Mr. --

13 MR. PITHAWALLA: And thank you.

14 THE COURT: Thank you, Mr. Pithawalla.

15 MR. PITHAWALLA: Thank you.

16 THE COURT: I understand your request. In fact, that
17 is one of the topics I was going to address this morning, is
18 when we were going to be able to do the distribution for Group
19 3. So I will be addressing that this morning in a few moments.

20 But I appreciate your comments. Thank you for
21 calling in.

22 MR. PITHAWALLA: Thank you, sir.

23 THE COURT: Let me start, though, with Group 1, just
24 so that we're all on the same page.

25 Group 1 has been resolved, at least from my

1 perspective, but the distributions are on hold while the appeal
2 from BC57 is pending.

3 My understanding is that the reply brief in that is
4 due maybe later this week. And then it will be -- the appeal
5 will be heard in due course by the Court of Appeals.

6 Has the Court of Appeals set an oral argument date?
7 I guess I'll ask the receiver.

8 MR. RACHLIS: Good morning, Your Honor.

9 Not that I'm aware of at this point.

10 Counsel has provided the Seventh Circuit with
11 information regarding available dates and things of that
12 nature, but there hasn't been any follow-up from the Seventh
13 Circuit about setting a precise date yet.

14 THE COURT: Is there anything else on behalf of the
15 receiver with respect to Group 1?

16 MR. RACHLIS: No, Your Honor.

17 THE COURT: Okay. Then let's turn to Group 2.

18 According to the schedule, discovery should be
19 wrapping up on Group 2 now. And I wonder if we can talk about
20 whether there's a way to accelerate the proceedings for Group 2
21 now, now that we have a better sense of the discovery issues.

22 So I'll ask the receiver to give me an update on
23 that.

24 MR. RACHLIS: Your Honor, there -- we are still in
25 the midst of working through discovery on Group 2, and we are

1 going to need some additional time to deal with the discovery.

2 I think, when we were before Your Honor in July, we'd
3 indicated that we had issued subpoenas for additional
4 information. Some of that information is -- we -- well, we're
5 in the process of getting it, including a very large amount of
6 documents pursuant to one subpoena that was supposed to be
7 provided today. When I say large, it's 60,000 pages' worth of
8 material.

9 Not all that is relevant to these properties, but
10 nevertheless, we do want -- we think it's important to weed
11 through those.

12 And there's some additional outstanding discovery
13 that is both being collected. And other discovery that has
14 been responded to we are diligently working through at this
15 point.

16 But there's still going to be some additional time
17 that's needed. I don't think it's going to be substantial, but
18 we do need more time in order to properly review and prepare
19 our recommendations to the Court.

20 THE COURT: And from the receiver's perspective, how
21 much more time do you think you need for discovery for Group 2?

22 MR. RACHLIS: The -- we were going to propose to Your
23 Honor -- the current discovery cutoff date is 9/13. And from
24 the amounts of information that we currently have and are going
25 to be receiving, we are going to recommend a date of October

1 25th for a new discovery cutoff date.

2 THE COURT: Is it your anticipation that there is
3 discovery you still need to request? Or is this just a process
4 of following through on outstanding requests that already
5 exist?

6 MR. RACHLIS: To the extent that there is any further
7 requests, they are limited. I know that there is, I think, one
8 subpoena that we would like to issue based on the review of
9 materials that have been recently produced.

10 And there -- is it possible that there could be one
11 or a couple of things as a result of further reviews of
12 material that we're supposed to receive today? I don't want to
13 preclude us from being able to do that. So I don't know what I
14 don't know in that respect.

15 But I think whatever we -- is left to be done is
16 limited in terms of additional requests.

17 THE COURT: Does the SEC have a view on discovery
18 with respect to Group 2?

19 MR. HANAUER: No. The SEC doesn't have any issues to
20 raise, Your Honor.

21 THE COURT: Is there anyone else who has a stake in
22 Group 2 who's in the courtroom here and would like to be heard
23 about the schedule?

24 MR. DAMASHEK: Judge, Ron Damashek on behalf of
25 Thorofare with respect to a property on Merrill.

1 Merrill is a property where there are a total of five
2 claimants. Two of those claimants are contractors,
3 mechanic's-lien-type people who never recorded mechanic's
4 liens, are not participating in that process.

5 Thorofare, my client, has a recorded mortgage. There
6 are two other claimants, neither of which have any recorded
7 instruments against the property.

8 So from my vantage point, this is a very simple,
9 straightforward priority dispute, when I have one recorded
10 mortgage, which was actually a purchase money mortgage that
11 funded the purchase property, and the other two players came
12 after me, have nothing recorded.

13 So at least with respect to that property, I don't
14 know of any disputes or any reason why -- essentially, it
15 should have been like a Group 3 property, but I understand the
16 receiver wasn't up to the point at that stage. But I don't see
17 any basis for further discovery, further delays. I'd like to
18 get to briefing on that property, if it's possible.

19 I know there are other participants here from Group
20 2, so I'll pass the mike on that.

21 THE COURT: Anyone else from Group 2 who would like
22 to be heard?

23 (No response.)

24 THE COURT: Seeing no one responding to that.

25 Let me turn it back to the receiver and ask, how many

1 properties are in Group 2?

2 MR. RACHLIS: Five, Your Honor, with several hundred
3 claimants.

4 THE COURT: I will give Group 2 an extension to
5 October 25th to complete discovery.

6 I am not going to peel off one of the properties for
7 expedited resolution, as frustrating as it may be, because I
8 think what's going to happen is there are always going to be
9 maybe one or two properties that look, from everybody's
10 perspective, ripe for speedy resolution, but we have gone down
11 the road of setting up these buckets so that we can resolve
12 groups at a time, and I think, in the long run, it continues to
13 make managerial sense to resolve the groups one at a time and
14 not peel them off.

15 For example, though, there's nothing -- I wouldn't be
16 averse to having you file a position statement on behalf of
17 your claimant, but I probably am not going to resolve it until
18 I know how all of the group is going to be resolved. So I just
19 don't know what the upside will be for you.

20 MR. DAMASHEK: Just -- excuse me. The difficulty
21 with that is that once discovery closes, the receiver then has
22 about three weeks to file their positions paper. So I don't
23 know whether they would be asserting any challenge to priority,
24 and so my position paper would be premature.

25 But if there is some way to expedite that, even that

1 process, where the receiver lets us know that they are or are
2 not going to challenge, that could speed things up.

3 THE COURT: From the receiver's perspective, as you
4 are looking at Group 2 and all of the information that you're
5 pulling together and all of the claimants, do you foresee any
6 way to resolve a subset of Group 2 any faster? Or will it not
7 make sense to do it that way?

8 MR. RACHLIS: We agree with Your Honor's view about
9 the management being -- at this point, there's a collection of
10 these five properties. It is going to be simpler to manage
11 things in that capacity, as we have.

12 THE COURT: I appreciate the desire to find
13 low-hanging fruit and trying to resolve them faster, but we
14 have this machinery set up that I worry that trying to tweak it
15 for small matters ends up overly -- runs the risk of diverting
16 attention from resolving even more claims faster than they
17 would otherwise if not distracted by having to do a small claim
18 now.

19 So I am going to keep that property, the Merrill
20 property, within Group 2 and following a Group 2 schedule,
21 which will have discovery closing on October 25th, which means
22 that anything -- any requests have to be issued and noticed in
23 time for everything to be completed by October 25th.

24 MR. RACHLIS: We understand, Your Honor.

25 THE COURT: And then can we set deadlines for

1 position papers now?

2 MR. RACHLIS: We -- yes. We have a -- we have
3 thought about that. And so the following is being proposed to
4 the Court:

5 A disclosure on the avoidance claims, which was
6 previously set for September 27th, would then be set for
7 November 8th;

8 Claimants' and the SEC's position statements
9 previously -- I'm sorry. I apologize. I skipped one.

10 Notice that claimants wish to have further discovery
11 as a result of the avoidance disclosure, previously due on
12 October 4th, would now be due November 15th;

13 Claimants' and the SEC's submissions/position
14 statements, previously due on October 18th, would then be due
15 on November 29th;

16 The receiver's position statement or submission
17 would -- previously due on 11/18 of '23, would now be due
18 12/20, December 20th;

19 And any reply, previously due on 11/22/23, would be
20 proposed to be due on January 10th of 2024.

21 Given the holidays and everything, that was why
22 that's out.

23 THE COURT: I will adopt that schedule.

24 That is -- I appreciate that it's pushing Group 2
25 into the new year, but I continue to be hopeful that that's not

1 going to ultimately slow down the other groups and our
2 big-picture effort to get all of the groups resolved within
3 2024.

4 MR. RACHLIS: Right.

5 THE COURT: Which continues to be my goal here.

6 Group 3. Do we need to wait until I have resolved
7 the twentieth fee application to get a distribution order for
8 Group 3?

9 MR. RACHLIS: I think it would be the most efficient
10 way of handling that.

11 That's been our position on this, yes, Your Honor.

12 THE COURT: We're almost there, though.

13 MR. RACHLIS: Yes.

14 THE COURT: So I do think, Mr. Pithawalla, in
15 response to your concern, and I'm sure the concerns of everyone
16 in Group 3, we are very close to having a final distribution
17 order in place for Group 3, for which I don't expect there will
18 be any appeals, because any appellate or appealable issues
19 would have been flagged by now. So I do think Group 3 is
20 awfully close to being closed.

21 The twentieth fee petition has been filed. I have
22 seen the objections that have been filed to date. The reply
23 date is due in a few days, I think.

24 MR. RACHLIS: Yeah. The 19th, Your Honor.

25 THE COURT: One comment that was made in the

1 institutional lenders' objections is that the fees are going
2 up.

3 Can you address that --

4 MR. RACHLIS: Yes.

5 THE COURT: -- concern this morning?

6 MR. RACHLIS: Of course, of course.

7 So, Your Honor, they are logically going up for the
8 quarter because there has been more activity associated with
9 the claims process for the quarter.

10 You can look at it in a variety of ways, but the
11 bottom line of which, as Your Honor knows -- or let me put it
12 in context. A brief review of the -- of their response reveals
13 that the issues that they've raised are essentially identical
14 and have been overruled before.

15 Your Honor notes this one issue that has been
16 identified. Even within that issue, 44% -- close to 50% -- of
17 the amounts allocated were not objected to. So we're dealing
18 with a very small subset.

19 Within that subset, a large portion of that will fall
20 with Group 2 and Group 3, which, of course, are exactly the
21 issues that we are -- have been spending quite a bit of time
22 on, as Your Honor knows.

23 In addition to that, Group 1 issues have been ongoing
24 as a result of the appeal.

25 And in order to try and get the other groups in a

1 position to be able to be -- have framing reports and be
2 resolved by this Court, we have been spending time doing that
3 as well, at the direction and instruction of the Court.

4 So the idea somehow that this is a novelty or
5 something that suggests something tawdry is just wrong.

6 And in addition to that fact, if you look back at our
7 Group 1 time period and what was spent associated with work on
8 Group 1, it's not dissimilar to what's been going on.

9 And we have more groups that are being looked at with
10 many more claimants than we had. There was, you know, five
11 properties and I believe 160 or so claimants in Group 1. Now
12 there's the same amount of -- there are five properties but
13 different -- and there was one institutional lender, and a
14 large number more of claimants.

15 So the idea somehow that there is not an explanation
16 for the amount of work that's been going on is just inaccurate.

17 THE COURT: That's --

18 MR. RACHLIS: And I hope that this actually -- if
19 this is the only issue that is of interest, perhaps we can
20 avoid having to file a reply brief on this. We'd be happy to
21 not to have to do that if Your Honor is satisfied with what's
22 before him.

23 THE COURT: The twentieth fee application covers work
24 and is requesting fees that are attributable not just to Groups
25 1, 2, and 3, but also to other groups, including the FHFA --

1 MR. RACHLIS: Yes.

2 THE COURT: -- and enterprise properties, right?

3 MR. RACHLIS: That is correct. A preliminary
4 breakdown that we have has -- for the parts that are being
5 objected to, almost 30% of that amount of time is devoted to
6 Group 2; 2%, approximately, goes to the FHFA properties; 8% to
7 Group 1; and 17% to other properties that are being -- Group 3
8 and others, in order to get prepared for -- you know, for
9 upcoming review by the Court.

10 THE COURT: Is there anything else you might say in
11 reply that you want to say orally? And then maybe I won't need
12 to take a brief.

13 I am not ready to rule on it this morning, but it
14 did, from my review so far, seem fairly similar to the other
15 fee applications. But if there's anything else you wanted to
16 say in reply.

17 MR. RACHLIS: Your Honor, may I take one moment?

18 THE COURT: You may.

19 (Receiver's counsel conferring.)

20 MR. RACHLIS: You know, Your Honor, we probably -- if
21 we were to submit a reply, it would look very similar to what
22 Your Honor has seen before.

23 There are examples that are raised, which we would
24 rebut. Many of them are inaccurate. And we could -- you know,
25 we're working on the process of trying to explain the

1 inaccuracies of those types of things, but since the objections
2 are so similar and been overruled, it -- we certainly don't
3 know much -- how much more we would have to say other than kind
4 of, in some sense, repeating perhaps in a different color
5 what's there.

6 So we are happy not to, but if Your Honor would
7 rather us do so, we will do so.

8 THE COURT: And the deadline is the 19th?

9 MR. RACHLIS: 19th.

10 MR. NATARELLI: May I be heard, Your Honor?

11 THE COURT: Sure.

12 MR. NATARELLI: Brett Natarelli representing the
13 institutional lenders who prepared the twentieth fee objection.

14 None of those lenders are in Group 3, and so,
15 therefore, the objections that we filed were not intended to
16 object to any Group 3 allocated fees and expenses.

17 I don't know if that helps streamline it or if that's
18 even mathematically possible. But there's no intended
19 objections to Group 3 allocations within them.

20 THE COURT: I understand that. Again, the group
21 distributions are really different than the fees. And those
22 are two different issues that I am resolving in parallel, but
23 they're different issues that come up with respect to those, so
24 I understand that.

25 The SEC wanted to say something?

1 MR. HANAUER: Yeah. Thank you, Your Honor.

2 The SEC was planning on putting in a reply, which we
3 typically do, which would note that the SEC has reviewed the
4 receiver's bills. We approve them. They substantially comply
5 with our billing guidelines.

6 And we would just point out, I think the lenders
7 actually showed great candor by noting that for each of their
8 objections, the Court has previously overruled objections
9 falling in similar categories.

10 THE COURT: What we'll do, then, for the twentieth
11 fee application is I am striking the reply deadline and I am
12 not taking reply briefs. If I think I need a reply, I will
13 know that before September 19th, and I'll let you know I may
14 need to give you a little more time to put whatever reply you
15 might need to address any concerns I have.

16 (Receiver's counsel nods.)

17 THE COURT: But I am satisfied that on the filings so
18 far, and based on the comments this morning, I don't need a
19 reply. So maybe that will save some time in the twenty-first
20 or twenty-second fee petition from briefing a reply brief.

21 So no replies. I will enter a ruling on the
22 twentieth fee application as soon as I can. And if I need a
23 reply, I'll let everyone know.

24 Thoughts on Groups 4 and 5 on behalf of the receiver?

25 MR. RACHLIS: Yes, Your Honor.

1 We are working on reviewing those claims, and that
2 has been impacted, to some degree, by the amount of material
3 that we have on Group 2.

4 So what we were going to suggest, Your Honor, is the
5 following with regards to starting those groups. If the Court
6 would allow a status conference to be set for some -- well, we
7 were going to suggest November 16th, which is the day after the
8 notice on any discovery claims in Group 2, that -- so, in other
9 words, some of the -- those issues should be all pretty much
10 resolved by that point. We would report to the Court as to how
11 we would proceed on Groups 4 and 5 with one additional caveat,
12 if Your Honor would allow. If any such -- if the setting of
13 that status date would also have with it leave to file in
14 advance of that date the framing report, because we may be in a
15 position for both Groups 4 and 5 to so do, and then come to
16 Your Honor on the 16th with the schedule for that.

17 We would still propose -- we haven't changed our
18 desire and hope that that would still be done in that three- to
19 three-and-a-half-month period similar to Group 3. That is
20 still the goal. It is just getting through the remaining
21 claims and be in a position to be able to have that commitment
22 be -- to stick with that commitment is where we're currently
23 at.

24 So if we're able to do that, that's our proposal to
25 Your Honor for those groups.

1 THE COURT: How many properties and claimants are in
2 Groups 4 and 5?

3 MR. RACHLIS: I'm sorry. Let me just look back on
4 that one.

5 Do you have -- I'm sorry.

6 MS. WINE: I'm sorry. Good morning. Jodi Wine here
7 for the receiver.

8 Group 4 has 390 claimants, and Group 5 has 83.

9 And as far as properties, there's four properties in
10 Group 5 and about 11, I think, in Group 4. Right, 11.

11 THE COURT: I suspect we are available for a status
12 on November 16th at 11:00 o'clock.

13 THE CLERK: Quite right.

14 THE COURT: So I will set that for our next status.

15 And you can file a status report with a framing
16 proposal as well by November 14th.

17 MR. McCLAIN: Your Honor?

18 THE COURT: Yes.

19 MR. McCLAIN: Andrew McClain. If I may be heard?

20 I represent Fannie Mae. Fannie Mae is currently
21 listed in Group 9. And I don't know if you want me to wait to
22 address my issues with that.

23 But I do want to request that the Fannie Mae property
24 be put into Group 5. And I can tell the Court now my reasoning
25 for that, or if you want to wait until you address Group 9, I'm

1 happy to do that as well.

2 THE COURT: Let's do that when we talk about Group 9.

3 MR. McCLAIN: Very good. Thank you.

4 THE COURT: Thank you. Which we're probably going to
5 do in just a moment.

6 Does anyone else have any issues to raise with
7 respect to Groups 4 and 5 and our plan there?

8 (No response.)

9 THE COURT: Seeing no response, I'll move on to
10 Groups 7 and 8, which we -- I think the plan is, and at least
11 from my perspective the plan is, we're not going to know how to
12 handle Groups 7 and 8 until we know how the appeal from Group 1
13 is resolved.

14 And it may be, by the time we're in January of 2024,
15 we may have a good sense of how the appeal for -- the BC57
16 appeal, how that's progressing. So I don't see that that is
17 slowing really anything down with respect to Groups 7 and 8,
18 because we're not going to be getting to Groups 7 and 8 until
19 then.

20 And Group 6 will come after Groups 4 and 5. That's
21 the plan.

22 MR. RACHLIS: Yes.

23 THE COURT: And we -- let me just ask the receiver,
24 with respect to Group 6, are you currently anticipating any
25 unique issues with respect to Group 6?

1 MR. RACHLIS: Your Honor, we're still looking --
2 we're still trying to look through those.

3 And our concentration has currently been on 2, 4, and
4 5. Once we are past, I think, the issues with 2, I think we'll
5 be able to start a little more concentrated group effort on
6 Group 6 and be -- hopefully by the 16th, November 16th, perhaps
7 be in a position to better discuss some of those issues.

8 THE COURT: That's fine. So let's turn, then, to
9 Group 9.

10 Other than the FHFA and enterprise properties, are
11 there other properties in Group 9? And how many of them are
12 there?

13 MR. RACHLIS: I think those -- I think it is just
14 those two, the -- what we grouped as the FHFA properties, yes,
15 Your Honor.

16 THE COURT: And, I'm sorry, is it Fannie or Freddie
17 that wants out?

18 MR. McCLAIN: Fannie Mae, Your Honor.

19 THE COURT: And is anyone here for Freddie Mac?
20 (No response.)

21 THE COURT: Do you have a sense of --

22 MR. McCLAIN: Possibly on the phone.

23 THE COURT: Do you have a sense of what its position
24 is with respect to its interests in Group 9?

25 MR. McCLAIN: I don't. But I believe that its

1 property is procedurally different than Fannie Mae's property,
2 Your Honor.

3 MR. NATARELLI: Your Honor, I do represent Freddie
4 Mac.

5 I have not spoken with them recently. My
6 understanding of the substance of that property is that it
7 would be analogous to Group 6 and distinct from Group 9.

8 THE COURT: On Group 9, which I have also, like the
9 receiver, been treating as the FHFA issue.

10 You may not be in a position to say much about it
11 here in open court, but have there been any discussions about
12 settlement to obviate the appeal, maybe, or even presenting a
13 good argument to me as to why Group 9 might be able to be
14 resolved?

15 MR. JOHNSON: Thank you, Your Honor. Michael Johnson
16 for FHFA. I appreciate the Court's indulgence. I was ill for
17 the last one and am glad to be back and in full fighting form.

18 There have been settlement discussions. I think
19 everyone is eager to get to resolution as efficiently and
20 expeditiously as we can. I appreciate the good faith that the
21 receiver and its counsel have shown in the discussion. I think
22 that FHFA and its counsel have reciprocated. We are working
23 hard.

24 There are some hurdles. The hurdles are substantial.
25 I personally am hopeful but nowhere near certain that we can

1 clear them.

2 One of the hurdles is purely process-oriented. The
3 receiver is one person with a small number of counsel. It can
4 make decisions quickly. It's kind of like a jet ski. My
5 client is a federal agency. It has a number of components that
6 are interested in the issues at play here. It is like a
7 battleship. It takes time because those procedures are
8 important for my client to evaluate positions communicated to
9 it and to formulate counter-positions.

10 I wish we could move more quickly, but because of the
11 importance of the issues, it takes time.

12 THE COURT: With respect to Fannie Mae's property, do
13 you -- on behalf of Fannie Mae, aren't you tied to what FHFA
14 wants to do with respect to these properties?

15 MR. McCLAIN: To an extent, Your Honor. But I want
16 to be clear. The issues related to the appeal -- and I'll let
17 FHFA's counsel discuss that in more detail. But that relates
18 to a statutory provision and whether the receiver can prime the
19 proceeds and related issues related to HERA.

20 From my perspective, our issue presently is leaving
21 the Fannie Mae property, which is 1131 East 79th Street, in
22 Group 9, because it is actually very analogous to one of the
23 properties that's in Group 5. That's 5001 South Drexel.

24 And those two properties are very unique in this case
25 in that the original borrowers for both of those properties

1 were non-EquityBuild affiliates. So when the loan was
2 originated on the 79th Street property, it was given to a
3 non-EquityBuild entity, and the mortgage attached when it was
4 recorded and given by that non-EquityBuild affiliate entity.

5 It was not until several years later, after
6 origination of the loan and after that mortgage attached to the
7 property, that any EquityBuild affiliate had an interest in the
8 property.

9 And so any interest that any claimant would have as
10 it relates to 79th Street would not have arisen until several
11 years after the mortgage lien attached. And the claims process
12 that we're going through right now relates solely to priority
13 of the claims.

14 And we believe that that distinct issue can be
15 resolved while the appeal is pending, because the appeal isn't
16 necessarily resolving the disputes between Fannie Mae and
17 another claimant. The --

18 THE COURT: Which is going to lead me into the
19 discussion of materially advancing the termination of the
20 litigation in a moment when I talk about the interlocutory
21 appeal request.

22 But I get that. But why can't we -- why isn't that
23 similar to a property in a group, say a property in Group --
24 say Group 4 or 5, or maybe even Group 6, that may say: Our
25 property is just like the property you resolved back in Group

1 1. Apply that same ruling to us now in this later group. We
2 don't need to spend a lot of time litigating that question.
3 You have already resolved it under the auspices of an earlier
4 group that now should flow through and make it very easy to
5 resolve that later?

6 I am just wondering, why do I need to put your
7 property from Group 9 into Group 5 if it is very -- if it is
8 the same exact scenario, more or less, as an already-existing
9 property in Group 5?

10 When I resolve that issue with respect to Group 5,
11 that might be the time to then say: Are there benefits from
12 this ruling that can apply down the road?

13 And that's kind of the system that we have set up --
14 that's the point of these groups -- is that as I resolve these
15 groups, there should be efficiencies in processing groups down
16 the road. Why isn't that the way to keep doing this?

17 MR. McCLAIN: Well, so one concern and one kind of
18 rule that we've all been operating through this claims process
19 is that an adjudication in one group is not going to
20 necessarily prejudice another group. So I would be concerned
21 with agreeing that any ruling for Group 5 would automatically
22 apply to a different property not in that group.

23 But I think for efficiency purposes, Your Honor, it
24 should be placed into Group 5 because it can be resolved all in
25 one group with very similar fact patterns as to 5001 South

1 Drexel. And the priority, which is what we're resolving in
2 this claims process, can be resolved hand-in-hand with another
3 property that's similarly situated.

4 THE COURT: I appreciate the point that, yes, it's
5 set up in a way that when I resolve an issue in one group,
6 that's not automatically preclusive to the issues in later
7 groups. The point or the design would be it should be more
8 efficient to resolve a similar question that arises later if
9 I've already resolved it earlier.

10 Are you worried that the right arguments aren't going
11 to be made if you're not in Group 5?

12 MR. McCLAIN: No, Your Honor. I actually represent
13 the party on 5001 South Drexel as well. But as -- I can't, you
14 know, make an argument on behalf of one client and
15 automatically make it on behalf of another client. And that's
16 why I think that it makes more sense to have these properties
17 combined into the same Group 5.

18 And for efficiency purposes for the estate overall,
19 it would eliminate one more property from the claims process
20 instead of holding it till some undetermined time.

21 THE COURT: I understand your position. I am not
22 going to do anything to move the property from 9 to 5 yet until
23 we get closer to Group 5. And you can remind me, when we get
24 there, that you'd like to be in that group.

25 But let me turn back to FHFA and the interlocutory

1 appeal question.

2 Before I ask about whether there's -- anyone wants to
3 file an opposition to the request or we would want to brief it,
4 maybe we can talk about it this morning and save some briefing.

5 The actual resolution of the litigation with respect
6 to the properties at issue won't come until I have resolved
7 Group 9. And so why would this interlocutory appeal get me any
8 closer to resolving Group 9?

9 MR. JOHNSON: Well, I think the ultimate resolution
10 of the litigation would come with the resolution of any appeal
11 of this Court's resolution of Group 9. And if we can get one
12 issue that we know would be appealed, because it already has
13 been appealed, resolved, that would almost certainly materially
14 advance the progress of the litigation.

15 The circumstances are different now from what they
16 were when Your Honor ruled on the first 1292(b) motion. We
17 have seen that the Seventh Circuit at least has some interest
18 in the pending appeal. It did not grant the motion to dismiss,
19 which has been fully briefed for quite some time now.

20 This Court can send a signal to the Seventh Circuit
21 that it believes those issues are important and would be useful
22 to resolve. Getting them resolved would bring us the certainty
23 that would allow us perhaps to get to a settlement or just to
24 resolve the case entirely.

25 It seems to me that what we need is certainty, and we

1 can get certainty only from the Seventh Circuit. And if this
2 Court -- the vehicle for this Court to signal to the Seventh
3 Circuit that those issues are important is this 1292(b)
4 certification.

5 So, you know, I -- as I say, I think the
6 circumstances are different. We have not only seen the
7 importance of the issue; we've gotten clarity of the fact that
8 distributions going out are not going to come back. And so the
9 Court has had to implement a holdback procedure to prevent
10 payments from being made in error and to protect FHFA's rights
11 as to its properties.

12 And those procedures come with some cost and burden.
13 And if we can get certainty and get that resolved, that will
14 simplify the rest of the case.

15 THE COURT: If I -- in resolving the actual claims to
16 the properties, if I decide that the enterprises don't have
17 priority, that is likely to be an appealed ruling. Is that
18 right?

19 MR. JOHNSON: It is. And it would have some overlap
20 with the issues as to the fees.

21 THE COURT: And so one of the concerns about
22 interlocutory appeals is avoiding piecemeal appeals. And so I
23 am worried that there is going to be an appeal when the actual
24 claims are resolved. And that is perhaps the more logical time
25 to resolve these issues, so that the Court of Appeals doesn't

1 see everybody twice.

2 MR. JOHNSON: Well, the Court of Appeals may see
3 everyone twice no matter what the Court does with the 1292(b)
4 because we've got a 1292(a) pending.

5 And I think the -- again, the best way to get this
6 resolved once and for all is to knock the issues off as they
7 come up. We've got one that's before the Seventh Circuit now.
8 And the sooner we get it resolved, the sooner we can move on to
9 the next one.

10 THE COURT: If I deny the 1292(b) request and the
11 Court of Appeals then rules on the pending motion to dismiss
12 the first appeal -- and hypothetically, let's say the Court of
13 Appeals grants that motion to dismiss -- and then there's
14 briefing perhaps on a motion to dismiss the second appeal --
15 and if the Court of Appeals also grants that motion to
16 dismiss -- would FHFA then realize that it's time to wait until
17 the end or will FHFA continue to -- in order to preserve its
18 position and argument, continue to file notices of appeal every
19 time I enter an order?

20 This is -- and I don't mean this in any kind of
21 pejorative way. I am just thinking through the permutations of
22 different paths.

23 MR. JOHNSON: Yeah. And I appreciate the Court's
24 careful thought in its questions, and I'll respond as candidly
25 as I can.

1 The agency's powers, protections, and prerogatives
2 under HERA are very, very important to it. It is disinclined
3 to ever give the appearance that -- a different appearance.

4 It's very difficult to analyze what that would mean
5 in the context of a hypothetical order on the motion to dismiss
6 the pending appeal without seeing what the order says, because
7 one could imagine grounds that would lead to one course of
8 action and other grounds that would lead to another course of
9 action.

10 THE COURT: That very interest that FHFA has is a
11 reason why it's long been my view that there could very well be
12 a way to compromise this case in a way that doesn't signal any
13 change in position by the agency and preserves the agency's
14 ability to make its longstanding and important institutional
15 interests and the interpretation of HERA known in another case.

16 I have been wondering whether this case over these
17 two properties is really the best vehicle for FHFA. Because,
18 remember, lurking in the factual background in all of this is,
19 where were you when this all got started? And if you care
20 about your rights and powers under HERA so much, maybe some of
21 this could have been avoided if you had spoken up five years
22 ago.

23 I have said what I have said about how the statute is
24 jurisdictional. Judge Kim said what he said about it. Well,
25 maybe we'll find out from someone else. But that's a reason

1 why this vehicle is not the best vehicle for your interests.

2 I don't need you to respond to that, and I don't mean
3 to put you on the spot with respect to it, but it is -- I am
4 using my platform to maybe send a message to your client that
5 if there are discussions to be had, there are good reasons to
6 have those discussions now before you continue to try to tee
7 this particular issue up.

8 Can I ask the receiver, how much is left in the
9 accounts for the enterprise properties?

10 MR. RACHLIS: It will take us a moment, Your Honor.

11 THE COURT: While you're looking that up, then maybe
12 I'll ask the -- I'll ask the SEC, do you have views on the
13 motion for an interlocutory appeal?

14 MR. HANAUER: The SEC is continuing to take no
15 opinion on the FHFA matters.

16 THE COURT: And then other than looking up the answer
17 to my question, does the receiver want to talk about the motion
18 for an interlocutory appeal?

19 MR. RACHLIS: Yes. It should be denied. It doesn't
20 materially advance the litigation.

21 And it materially advances their interests, to some
22 degree, but that is the law that -- we had cited the law, Your
23 Honor has recognized. The Seventh Circuit doesn't want these
24 types of things.

25 We've had these -- every litigant will say exactly

1 the same thing, and including in this case, three different
2 times, where you had -- as a result of orders issued at that
3 time by Judge Lee in regards to a purchase -- sale of property.
4 They had just as much -- in fact, more, because it was actually
5 determined that there was this asset that was going to be sold,
6 and they took an appeal and went to Judge Lee and said: You
7 need to certify this, because otherwise we're going to be, you
8 know, basically out of luck on this. Judge Lee said no. The
9 Seventh Circuit said not here, not now. It's wrong. And there
10 is nothing here that's changed. This is precisely the same
11 issue.

12 The idea somehow that something different is here at
13 this moment, it's not any different at all. It doesn't -- the
14 only thing that -- and, curiously, in one point on page 8 of
15 their brief, they talk about -- they recognize that it must
16 materially advance the resolution of the receivership. That's
17 the words -- (bumps mike) excuse me -- that they used.

18 This doesn't do that. This just materially advances
19 their position. That's the only thing it advances. And that
20 is not enough. The law on this is clear. The Seventh Circuit
21 does not want these types of piecemeal appeals.

22 There is nothing here that changes Your Honor's
23 analysis from the first certification motion that they had
24 filed, and don't know how much more -- we're certainly happy to
25 add more, but there's really nothing more I would say that's

1 added that they have added here.

2 And for all the reasons the Court has previously
3 indicated, it should be denied again.

4 THE COURT: So I don't need to take briefs, then, on
5 the motion for the certification of the interlocutory appeal.

6 But I have another question about what -- practically
7 speaking, what happens if the case goes up on appeal and the
8 Court of Appeals says that I was wrong, that there can be no
9 receiver or court that can do anything to touch these
10 properties?

11 What happens to these bank accounts? The properties
12 are gone. The properties have been sold. The money is in a
13 bank account. Who will have power to do anything with respect
14 to those bank accounts if no court has power to do anything
15 with respect to those bank accounts? What would end up
16 happening?

17 MR. JOHNSON: Well, the Court would have power to do
18 something with the bank accounts, and what it would have to do
19 with the bank accounts is transfer ownership to the conservator
20 of each enterprise. The 4617(f), of course, prevents the Court
21 from restraining or affecting the conservator's powers. And an
22 order recognizing that the conservator has title to those funds
23 would not restrain or affect the conservator's powers. It
24 would recognize and effectuate them.

25 So I think that's what would likely happen.

1 THE COURT: And as a formal matter, that would then
2 be taking these accounts out of the receivership.

3 MR. JOHNSON: Yes.

4 THE COURT: And from FHFA's perspective, that would
5 terminate the receivership.

6 MR. JOHNSON: These --

7 THE COURT: Not the whole receivership, but it would
8 terminate the receivership with respect to those properties.

9 MR. JOHNSON: With respect to those properties, yes,
10 I believe so, Your Honor.

11 THE COURT: And I think we talked a little bit about
12 this when we were talking off the record. But what mechanisms,
13 then, would the conservator use to resolve claims to those
14 funds? Or would the conservator say: It's our money now. It
15 belongs to the enterprises. Good luck to you people who think
16 you have any entitlement to this?

17 MR. JOHNSON: So the conservator's statutory powers
18 are different from a receiver's. There is an administrative
19 claims process for receivers. There is not one for
20 conservators.

21 Interested parties could petition the conservator to
22 present their claims. The conservator could consider them in
23 its discretion. I think people who believe the conservator has
24 their money would have other avenues for relief if they chose
25 to pursue them. It would just not be part of this

1 receivership.

2 And I don't mean to say that petitioning the
3 conservator would be the only avenue for potential relief. I
4 just would want to consider the circumstances on the ground at
5 the time before giving a view as to what other avenues might be
6 available. But some of them are commonsensical, I think.

7 THE COURT: Do we have a sense of how much money
8 we're talking about?

9 MR. RACHLIS: Yeah. We got one. We're getting the
10 other.

11 So as of August 31st, for 1131 East 79th Street --
12 rounded, Your Honor -- it's \$1,220,000. That's for one.

13 And the other, rounded, \$1,888,000. That -- the
14 other one meaning 7024 Paxton. I'm sorry, Your Honor.

15 THE COURT: Thank you. Thank you for the
16 information.

17 Okay. I am going to think about the motion to
18 certify the interlocutory appeal. But, Mr. Johnson, go ahead.

19 MR. JOHNSON: Thank you, Your Honor.

20 It's not directly relating to the 1292(b), but it is
21 tangentially related, because I view settlement and appeal as
22 parallel. Your Honor knows about parallel tracks because of
23 the priority in the groups and the issues.

24 I wasn't here, but at the last hearing -- I have read
25 the transcript, and I understand there was some discussion

1 separately that the Court suggested that it might be willing to
2 participate in the settlement process, if that would be useful.

3 If that's still on the table, my client is
4 interested. I don't think we are at the point now where we
5 could adjourn to chambers and talk it over today and make
6 progress, but I think if the Court is willing to entertain an
7 informal Rule 408 off-the-record settlement discussion, we
8 could do that sometime in October or at the Court's
9 convenience, you know, October, November.

10 But, again, I don't want that to be a substitute for
11 the 1292(b). I think we need to push this to resolution on
12 every track we can.

13 THE COURT: As I think I had expressed when we were
14 off the record last time, I will make myself available if
15 people think I could be of help. And where I might be of most
16 help, I think, with this particular issue is to maybe talk to
17 the powers that be at the agency to get a sense of the
18 institutional interests, and that might help me evaluate what
19 the likelihood of a compromise, a meaningful compromise could
20 be.

21 I am also open to facilitate a discussion any way
22 that I can. It ought to take place sooner rather than later.
23 It ought to take place after I give you a ruling on whether I
24 think there ought to be an interlocutory appeal. And then as
25 soon as I do that, you can keep talking to each other. And

1 then if you think a conversation with me would be helpful, you
2 can contact the courtroom deputy, and we'll find time to have
3 that conversation.

4 So I owe you a ruling on the twentieth fee
5 application, because I don't need a reply. And I owe you a
6 ruling on the motion to certify the interlocutory appeal.

7 We have a status hearing on November 16th. And I'll
8 take a status report and framing report on November 14th.

9 I have adopted the schedule that you have proposed
10 for Group 2 with the extension of time for discovery.

11 Are there other issues to address this morning? I'll
12 start with the receiver.

13 MR. RACHLIS: I don't believe so, Your Honor.

14 THE COURT: Anything from the SEC?

15 MR. HANAUER: No. Thank you, Your Honor.

16 THE COURT: Any other interested parties in the
17 courtroom this morning who would like me to address an issue?

18 (No response.)

19 THE COURT: Seeing none, then that will conclude our
20 status hearing this morning.

21 I want to thank everyone who's been listening on the
22 phone, particularly all the claimants. I know it continues to
23 be a long, laborious process waiting for resolution.

24 The best I can say is that there is some light at the
25 end of some tunnels, particularly with respect to Group 3. And

1 I think that will happen -- I think the Group 3 distribution
2 should happen before the end of the year and then the rest in
3 early 2024. I think we're going to have a much more reliable
4 estimate of how much longer it's going to take to get through
5 the rest of the groups.

6 So I appreciate everyone's patience, continued
7 patience and the work that everyone is putting into this. And
8 I will touch base with everybody in November.

9 And in advance of our November status hearing, I will
10 endeavor to have a process set up where if there are people who
11 want to be heard at that status hearing, I'll work on a method
12 to give a little more opportunity for people to be heard at
13 that point.

14 Thank you. We're in recess.

15 (Proceedings concluded.)
